

Let the world famous 5 Dragons™ take you to the treasure paradise and chase your fortune with more ways to win.

The legendary 5 Dragons™ offers one of the most successful math models in the world with Reel Power's 243 ways to win.

**Category:** Reel Power\*  
**Volatility:** Medium  
**RTP:** 95%

**FEATURE:**

Free games are won with any 3 or more left to right scattered COIN. Choose your free games feature by pressing the corresponding button.

25 free games - All wins with WHITE DRAGON substituting are x2, x3, or x5

20 free games - All wins with RED DRAGON substituting are x3, x5, or x8

15 free games - All wins with BLACK DRAGON substituting are x5, x8, or x10

13 free games - All wins with BLUE DRAGON substituting are x8, x10, or x15

10 free games - All wins with YELLOW DRAGON substituting are x10, x15, or x30

During the free games, RED PACKET anywhere on Reels 1 and 5 results in a BONUS prize of 50, 20, 15, 10, 5 or 2.

Bonus prize is multiplied by total number of credits staked only.

Feature can be won again during the free games. Number of features remaining is represented by the number of MONEY POT collected.

The reels selected and the bet multiplier during the feature are the same as those on the game that started the feature.

\*Reel Power, Aristocrat's innovative game play where players buy reels rather than lines with up to 243 ways to win.
